**PRIVATE VEHICLE TRANSPORTATION RULES  
 WHEN SCHOOL TRANSPORTATION IS PROVIDED**

1. A student must use the school transportation when it is scheduled for a meet/contest/game. The use of private vehicles is discouraged, but if school vehicles or commercial carriers cannot be arranged, volunteer drivers may be utilized at the discretion of the Athletics Director
2. The volunteer driver must be a parent or other adult.
3. If the parent is not available to transport a student home from a contest, the parent may specify that his/her daughter/son may ride home with another parent. This information must be specified on the blanks listed below.
4. Written parental permission must be secured for such transportation and parents are to be advised that the liability in event of accidents falls first upon the owner of the vehicle.
